

上海嘉迪机械有限公司坐落于上海市黄渡工业园区春浓路500号,是一家拥有十多年专业设计研发、生产制造各类乳制品、啤酒设备、果汁果酱、茶饮料成套加工设备的生产厂家。为国内数十家乳品、啤酒、果汁、饮料加工企业和大专院校、科研院所的中试实验室提供了全线设备及成套交钥匙工程。

上海嘉迪机械有限公司融汇简洁耐用和实用美观的设计风格,秉承欧美等精良的加工制作工艺,结合我们多年的行业经验,为国内外数十家乳制品、啤酒、榨菜、果蔬深加工行业提供了制作精良、工艺先进、性价比优越的技术装备,得到了客户普遍的赞誉和信任。

我们的技术装备的主要特点体现在:

- 一、以较低的一次性设备投入,获得持久耐用的功效;
- 二、优良的设计组合及上乘的设备制造质量和工程安装质量,保障了整个系统工艺流程的结构紧凑,外形美观,工艺路线合理;
- 三、以低廉的运行及维护成本和低故障率,保障了设备低成本高效率的运行。

“科技是金,创新为本”是上海嘉迪的一贯宗旨,做中国的食品机械专家,更是嘉迪员工的目标。

BRIEF INTRODUCTION

企业简介

Shanghai Jiadi Machinery Co., Ltd. is Hi-Tech shareholding enterprise, located at Huangdu Industry area of Shanghai. Specializing in design and manufacturing the sanitary processing equipments for beer equipments, fruits puree, fruit and vegetables juices, liquid milk beer and instant powders and pickled vegetables.

There are total 150 staffs, 13 senior mechanical engineers and 7 processing engineers, we often work with some senior professors from Chinese Universities for new processing experiment. the products we manufacture are in accordance with GMP standard and passed quality system of ISO9001-2008. So far, We have tendered turn-key project to Gambia, Libya, Colombia, Japan, Vietnam, Thailand and other regions. For the past five years, with our superior technology and quality performance, our market share has been growing dramatically. A recent statistics state, for blueberry paste, blackberry paste and tomato paste project our company has been taking 30% share in local market.

Obviously, Jiadi is committed to deliver the complete set of sales service including designing, manufacturing, installation, commissioning and operator training. To ensure the higher performance for production line, all the technical staffs are very experienced employees. For our after sale service, we deliver life time technical support to new and old customers, even for spare parts delivery if it is within the warranty period for free of charge. After all, our company always committed to advancing technology where such advance delivers a better outcome for our customers.

Reasonable price, superior quality and reliability with our own cutting-edge technology led us to be the leader in the food process industry with the highest regard and a solid reputation.
